

The Cameron Herald

ESTABLISHED 1860

VOLUME NUMBER 90

CAMERON, MILAM COUNTY, TEXAS, THURSDAY, JANUARY 19, 1950

NUMBER 40

Work Begins On Engineers' Part Of Access Road

Work began today on the army engineers' portion of the access road to be built from Belton to the dam site on the Leon river. Young Brothers Excavating contractors, Waco, are building the road under contract with U. S. army engineers.

The road to be built by engineers will begin at the building first used by resident engineers and will continue up the hill to the headquarters building and facilities and on to observation point on the bluff overlooking the reservoir work area.

The lookout building and facilities for the convenience of the public will be built at the point within the next few months, according to E. F. Cirkal, resident engineer on the Belton reservoir project.

County workmen under the direction of Belton precinct Commissioner John Hood Garner are working on the approximately two and a half mile stretch of the access road to be built by the county. Right-of-way to take care of widening the road is being cleared and the road is being graded. It will be graveled at the present time.

The road to be built by army engineers will be black-topped and will have a 30-foot crown, including shoulders. The paved center stripe will be 22 feet wide, Mr. Cirkal said.

W. H. Stafford Asks City Secretary Place

W. H. Stafford, City Secretary, is a candidate for the nomination subject to the Democratic Primary election to be held on Tuesday, February 7.

Mr. Stafford has an enviable record of efficient service in this position and friends throughout the city will welcome his announcement as a candidate for re-election.

He pledges the people that he will continue to render this fine service and will be deeply grateful for your vote and support in the coming election.

Mr. Stafford has qualified himself for this service to the city by a close application to duty and will give the people the benefit of these qualifications during the coming term.

Amount Needed For Hospitals Still Undecided

The state hospital board lost an operating quorum without reaching a final decision on how much money it would ask the Jan. 31 special session to put up for emergency buildings.

Chairman Claud Gilmer spent a good part of the day conferring with Gov. Allan Shivers, who has been waiting for the hospital board's recommendation, and said he left the governor figuring "with his pencil and paper."

Apparently the board and its staff also still had some pencil and paper work to do before the governor could frame his recommendations to the legislature. It meets just two weeks from today.

Earlier at a press conference Shivers asked the people to write him their ideas of what the state should do about supporting its wards, and how the program should be paid for.

The governor made this appeal after a conference at the mansion with a group of business and industrial leaders to get their ideas on the same subject.

Yoemen Win Over Belton Tigers

The Cameron Yoemen defeated the previously unbeaten Belton Tigers, 36-35 in Belton Tuesday night.

In the first quarter the Yoemen were leading by a score of 12-9, but Belton rallied and went ahead 20-19 at half time. And the third period ended the score was tied 30-30.

Belton's Bobby Tullock and Alton Fuchs of Cameron scored 11 points each, and Royce Boren of Belton and Eldon Batte of Cameron made eight points each.

The Belton B team won over Cameron's B squad by a score of 19-18. Victor Means scored eight points for Belton and Eddie Lankford scored six for Cameron.

Mrs. Sam Houston, member of the North Elm School faculty is among the patients ill and in St. Edwards Hospital. Her many friends wish her a speedy recovery.

PROGRESS OF CREDIT SYSTEM IS REVIEWED

The Farm Credit Act of 1933 provided for the organization of a production credit system for American agriculture — short-term operating loans to be made by production credit associations to be organized and operated by the farmers themselves. Twelve government-owned production credit corporations, one in each of the Farm Credit districts of the country, were set up to supervise these associations and to furnish the initial capital stock to get them into immediate operation. Farmers were to gradually buy up the government stock and ultimately own the associations outright.

Funds for the associations to lend were to be obtained by discounting farmers' notes with the already established Federal intermediate credit banks, which get their loan funds through the sale of short-term bonds to the investing public. None of the government capital put into the associations was to be used to make loans, but rather these funds were invested in bonds which were put up as a backlog of additional security to the Federal intermediate credit banks.

In addition to furnishing the initial capital stock free of charge, the Congress provided for exemption from Federal income taxes and all other taxes except on real and personal property—this exemption from Federal income taxes and all other taxes except on real and personal property—this exemption to continue for an association until its stock was fully owned by farmer-members.

The initial capital of \$120,000,000 to set up the production credit associations and provide for their supervision was made available by Congress through the Reconstruction Finance Corporation and by district appropriations. The twelve government supervisory corporations were to invest a part of these funds in the capital stock of production credit associations and retain enough to invest in bonds yielding sufficient income to pay their operating expenses.

Progress during 16 years from 1933 through 1949:

\$73,765,000 of the \$120,000,000 has been returned to the U. S. Treasury. Of the balance, \$21,240,500 is retained in the twelve government-owned supervising production credit corporations to help take care of their expenses, and the balance of \$24,994,500 is still invested in production credit associations. At one time the government had more than \$80,000,000 invested in the associations.

Farmers now have reserves and capital of their own in the associations of approximately \$121,000,000.

The production credit associations (36) in Texas are finishing the job of returning the last dollar of government capital stock at the end of 1949—when the total reserves and capital stock will be approximately \$15,000,000, all 100 percent owned by Texas farmers and ranchers.

CEN-TEX MEETING TODAY PLAN WASHINGTON TRIP

Representatives of Central Texas communities interested in the Belton day project will meet at the Kyle hotel at noon today to discuss sending a delegation to Washington for congressional hearing on appropriations for the dam.

The Temple and Belton Chamber of Commerce have invited Killeen, McGregor, Cameron, Bryan, Gatesville and any other interested towns to have representatives at the meeting.

Primary point of discussion will be the proposed effort to seek a larger appropriation for the project in the new fiscal year. It had been hoped that at least \$5,000,000 would be appropriated, but the amount recommended in the President's budget message was \$3,500,000.

Backers of the dam project hope that a delegation representing all affected communities can be formed to make the Washington trip.

Prompt action will be necessary since hearings before the house appropriations committee will begin this week, and the Central Texas group will probably be scheduled to appear late this week or early next.

Mr. and Mrs. Nick Brennan and baby of Lexington spent the past week end visiting he rmother, Mrs. A. J. Lewis.

Junior Stockmen To Show Calves Here Saturday

(By J. D. Moore, County Agent)

4-H club and F. F. A. members of Milam County are invited to show their fat steers at the Courthouse here in Cameron Saturday, January 21, at 2:00 p. m., reports J. D. Moore County Agent. Plans are being made to have a stockman from A&M College to judge the steers and talk to the livestockmen of Milam County on livestock production. Ann Brock, daughter of Mr. and Mrs. Jess Brock of Cameron, will show a nice 4-H club steer from the Monroe Hereford Farm. Gene and Ferol Angell, sons of Mr. and Mrs. C. O. Angell of the Randal Lake Farm, will show one top steer and two small steer calves which they purchased from the Walker Hereford Ranch in Lampasas County.

A committee composed of Dana Monroe, Lyle McDermott, John Batte, James Brock and C. O. Angell, met this week with the County Agent and discussed the possibility of a Junior Stock Show for Milam County. It is the opinion of these men that a county-wide meeting should be held in the near future to determine the possibility of setting up a County organization to assist in directing the future of the livestock business in Milam County. The support and opinion of the public will determine the progress of such movements in Milam County. You are invited to attend.

U. S. ENGINEERS DISCUSS DAM BIDS

U. S. army engineers from the Washington office, the Southwestern division, the district office at Galveston, and from the local office met in Belton with about 50 representatives of contracting and engineering firms from Texas and nine other states in a pre-construction conference at the American Legion Memorial home.

At the meeting engineers set out measures and procedures to be followed in preparation of bids for construction of concrete outlet works and service bridge for the Belton dam and reservoir project. Questions were asked and answered on technicalities of construction, and opinions and suggestions from contractors were heard.

Bids on the approximately two and a half million dollar contract will be opened in the Galveston office on Jan. 25.

The new contract, largest to be let on the dam and reservoir project, calls for excavation of 164,000 cubic yards of material and use of 4,000,000 pounds of reinforcing steel.

E. F. Cirkal, resident engineer for the project, explained after the meeting that the outlet works under consideration will consist of a tower some 20 stories high which will house the mechanism for controlling the gates of the dam. The mechanism, he explained, will be operated by electrical power, with gasoline power available on a standby basis for emergencies.

Lt. Col. Ellsworth I. Davis said in an interview after the meeting that other contracts for various phases of the dam will be let from time to time and that the whole project could be complete within two years "if everything goes exactly right".

Boxing Show To Be January 25 and 26

Although Temple's successful and exciting Golden Gloves district tournament has been completed, the numerous high school and novice division boxers of Central Texas continue to work out for another big mitt meet, Cameron's two-night show Jan. 25-26.

The high school tournament at Cameron will probably crown a new team champion, since most of Killeen's stars will be competing at Austin. Cameron will have a strong team of its own since it put three boys in the novice finals at Temple before losing. These three are featherweight Jim Matyastik, middleweight Bobby Stanislaw, and bantam weight Frank Kaminicky.

Coach Paul Smith of Cameron has invited all Central Texas boxers to enter and will provide good dressing room facilities. They may enter by appearing at the weighing in to be held in the afternoon of Wednesday, Jan. 25, at the high school gymnasium in Cameron.

TRUMAN DEMANDING VOTE

GET CHARTER FOR MILK BOWL INC.

OLEO WINS IN FIRST ROUND

CIVIL RIGHTS PLAN IS DUE ATTENTION

President Truman declared today that the administration will press the bitterly fought civil rights program to a showdown vote in congress "if it takes all summer."

The President served notice, in effect, that he wants every member of congress to be put on record for or against the proposals which caused a split in Democratic party ranks during the 1948 presidential election campaign.

Lashing out at a coalition of Southern Democrats and Republicans on the house rules committee, Mr. Truman said he would fight to defeat their efforts to repeal a parliamentary rule under which the administration hopes to bring up civil rights legislation in the house.

On Capitol Hill, Republican Leader Martin of Massachusetts told newsmen his party favors the repeal action, but doesn't want to vote on it until next week.

This seemed to indicate that the Republicans are anxious to avoid being put in the position of voting for a rules change that might stifle a vote on civil rights. Like the administration Democrats, the Republicans are politically committed to a civil rights program.

It also indicated that by wanting to delay the vote until next week, the Republicans hope to be in a position later to bottle up other phases of Mr. Truman's Fair Deal program.

Marshall Terry Asks For City Marshal Place

Marshall Terry announced today that he is a candidate for the nomination for City Marshal, subject to the City Democratic Primary election to be held on Tuesday, February 7.

In announcing for the office Mr. Terry said he was responding to the solicitation of a large number of friends and in making the race wishes to state that he is seeking office as an advancement from his present position as night watchman. He has served faithfully in this capacity for more than three years, and is well acquainted with the duties of City Marshal. During these years Mr. Terry has co-operated with the City Council and the City Marshal.

Mr. Terry was born and reared in Milam County and is well known here. Friends throughout the city will be pleased to know that he is a candidate for the office of City Marshal and will give him their active support.

Mr. Terry was specific to make one pledge that he will do his best to show no partiality but will exert a policy of just and fair treatment for all.

Mr. Terry will make every effort to make contact with as many as possible but asks that you consider this announcement as a personal appeal for your vote and influence in the coming election.

X-Ray Tuberculosis Survey Will Be Made

The Tuberculosis X-Ray Unit will be in Milam County about March 13th to make a mass tuberculosis survey; but, in order to insure the success of this survey, a preliminary organizational meeting will be held in the District Court Room at three p. m. on January 23, 1950.

At least two representatives of ever civic and social organization, county officials, city officials, the ministry, the press, women's organizations, and all interested persons throughout the county are urgently requested to be present at this meeting and to participate in the campaign.

"A mass X-ray survey, if done properly, requires a great deal of work on the part of many people. At this meeting an attempt will be made to explain to these people the part which they will be asked to play in this survey."

MILK BOWL GAME RECEIVES CHARTER

Charter of Corporation has been received by the Board of Directors of the Milk Bowl, making the organization a Texas Corporation with the title "The Milk Bowl, Inc."

Permanent members of the Board are: Joe Moore, Ralph Widmar, Eugene Clyde Weaver, Gene Walker, Myrtle Varner, Terry Moore, and G. R. Varner.

The Milk Bowl game, played for the first time at Cameron, December 10, 1949 has resulted in the organization of Pee Wee football games. Gause and San Saba played in the first Milk Bowl game.

The Board is at work on its plans for the 1950 Bowl game which will be played in Cameron as provided for in the articles of incorporation.

Honorary members of the board may be chosen from Cameron and Milam County.

100 Scout Leaders Set 5,000 as Goal For Heart o' Texas

Challenging the Scout leaders of the Heart o' Texas Council to make 1950 the biggest in the scouting history of the council, Council President Hal V. Hays of Waco Tuesday night announced a 5,000 membership goal for the council for 1950.

More than 100 commissioners, board members and district chairmen representing the 12 districts of the Heart Council with headquarters in Waco attended the annual planning conference to discuss the council's 1950 scouting program.

A \$45,480 budget for the fiscal year, 1950 was also voted by the council board of directors during the annual meeting. Hays presided at the regular board meeting held during the conference of operating committees for 1950.

EXTENSION OF FARM PROGRAM DISCUSSED

On Friday, January 6, 1950 the following persons attended a "Special Program Meeting" held at the Milam County PMA Office in Cameron. Fred Rennels, State PMA Office College Station, Mr. Akin, Washington PMA, J. C. Adams, State PMA, Howard T. Kingsbery, State PMA, I. H. Lloyd, District Field Officer, PMA, Jack Hollingsworth, District Field Officer PMA, Paul C. Graves, Chairman, Milam County PMA, Herbert L. Colburn, Vice-Chairman, Milam Co. PMA, Henry H. Hartsfield, Regular Member County PMA and Alva E. Sanders, Administrative Officer, Milam Co. PMA, also the following list of Community Committeemen.

Albert Dorner, Ted Ford, Walter C. Kohring, Willard C. Cooper, Burnett Atkinson, Jesse P. Wise, George E. Bland, Hugh Wimberly, Fritz Doss, Herbert Menn, S. S. Sheppard, James L. Terry, Frank Fronek, Roger Gilleland, Edward G. Looney, Ernest C. Fischer, Walter Hagemaster, Joe J. Marek, Morris M. Coward, James A. Mann and Frank J. Tomek.

The purpose of the meeting was to extend the program begun some time ago to the remaining 7 communities of Milam County. This would cover approximately 2700 farms.

Under the Special Program, the Community Committeemen are to visit each farm and go over the farm with the farmer. They will look over the properties and make recommendations on what their needs are; this will bring to the mind of the farmer how carrying out conservation measures will benefit his farm and will set up a definite plan for the farmer to work to improve his farm.

Before the program is complete experienced committeemen will visit each farm and go over it with the owner. Milam County is one of four counties in the State of Texas selected to carry out this program.

REPEAL OF TAXES ON MARGARINE EXPECTED

Senators demanding outright repeal of the federal taxes on oleomargarine demonstrated their power today by crushing a substitute bill backed by dairy state members.

The final decision on repeal of the margarine taxes is expected later this week, possibly tomorrow. The senate recessed without any final action.

By a vote of 48 to 37, it rejected the dairy group's substitute bill, which called for repealing the 64-year-old taxes but prohibiting the interstate shipment of yellow margarine.

This brought before the senate a straight-out repeal bill, which was approved by the house last year.

Senator Langer (R-ND), who voted with the butter group, called for adoption of a series of "civil rights" amendments, starting with an anti-lynching bill.

Langer's amendments incorporate whole measures which many Southern Democrats have found so objectionable they have filibustered. The Southern senators, in general are strong for repealing the margarine tax. Their states raise cottonseed and other vegetable oils which are used in the manufactured bread spread.

A majority of the senate has power to shelve the Langer amendments.

The margarine group, elated by the 11-vote margin, appeared confident of passing the house bill eventually.

Cripple Facing Drunk Driving Charges Here

Edmund Daugherty, man without legs and well known here has been charged with driving a car while intoxicated and will be arraigned in County Court Saturday.

Daugherty was arrested in Buckholts and charged in Justice Court and the case was transferred to County Court.

Daugherty lost both legs in a drag line accident years ago and has made his living as a salesman. He gets about on the streets on a small platform truck.

MILAM COUNTY SELECTS ACP PRACTICES FOR '50

Practices selected for the 1950 agricultural conservation program in Milam County during 1950 are as follows, according to Alva E. Sanders Milam County PMA administrative officer.

1. Construction of terraces for which necessary outlets and waterways are provided.
2. Construction of diversion terraces to control excess water.
3. Establishing a vegetative waterway to dispose of excess water without causing erosion.
4. Construction of enlarging drainage ditches.
5. Drilling or digging wells for livestock water—artesian.
6. Construction of earthen dams or

Cameron Girl Selected For TSCW Fraternity

Miss Lynn Skelton, daughter of W. B. Skelton of Cameron has been selected as one of the first three members of Kappa Tau Alpha, national journalism fraternity, at Texas State College for Women in Denton. Members of the society, based on scholarship and citizenship must rank among the top ten percent for their class.

Miss Skelton, a senior journalism major at TSCW, is present editor of the Daily Lass-O, Campus newspaper. She was recently selected to appear in Who's Who in America Colleges and Universities for TSCW.

STATE COMPTROLLER PREDICTS A DEFICIT

Comptroller Robert S. Calvert officially gave the Governor and Legislature the bad news Wednesday.

The state is running \$26,000,000 in the red.

At the same time Gov. Allan Shivers renewed his demand that the Legislature provide funds to operate state hospitals and special schools and start an urgently needed building and repair program.

He will call the legislators to meet, probably Jan. 31, to face the job.

The Legislature will have to raise some more money if it operates the state hospitals and starts the building program in the year which starts Sept. 1.

The only alternative to new taxes would be the never-used resort to deficit financing by a four-fifths vote of all members of both the House and Senate.

How much it will have to raise depends on these factors:

1. Cost of operating the hospitals and special schools.
2. Amount the Legislature decides to spend in the next fiscal year on buildings and repairs; and
3. Whether or not it will raise taxes to balance the state's books on Aug. 31, 1951, or merely dig up just enough to pay the costs of running the hospitals and special schools and starting a building program.

Speaker of the House, Durwood Manford has been working on a plan to keep new taxes to a minimum by

financing at the special session only the costs for state hospitals. That would leave the prospective \$26,000,000 deficit as a problem for the Fifty-second Legislature to worry about in 1951.

Governor Shivers said Calvert's official forecast of a deficit in the general fund on Aug. 31, 1951, came as no surprise.

Practically all of the decline in income was laid to loss of oil taxes as production was restricted by loss of markets to imported crude.

The Governor took a slightly more troler.

Money is going out of the general fund faster than it is coming in, Shivers noted, but last month it still had a \$55,000,000 balance.

"It is possible," he said, "that better business conditions during the next eighteen months, especially in the oil industry, would bring in revenue that, added to the \$55,000,000 we have now, would eliminate the 'deficit'."

Phone Project Nearing End For Yarrallton

C. R. Carson, District Manager of the Southwestern Bell Telephone Company has advised that progress on the rural telephone service in the Cameron area is expanding. The project leading to Yarrallton is nearing completion and upon receipt of the necessary cable to connect the line from the city limits to the Cameron board, service will be available.

This project will handle approximately fifty additional customers and twenty-five of these will receive city service in the Cameron exchange.

Mrs. Ben Ellpatrick of Gause is ill and a patient in Newton Memorial Hospital.

Milam County Boys Enter Judging Contest

Three members of a grass judging team from Milam County who will enter a grass judging contest at the 1950 Houston Fat Stock Show are James Caffey, Billy Tom McDaniel and John Sapp of the Rockdale FFA Chapter, H. D. Maxwell, chapter advisor says.

The contest will begin at 8:00 a. m. on February 4 in the arena of the Sam Houston Coliseum in downtown Houston. Waters S. Davis, chairman of the grass judging contest committee, will be in charge.

Slated as a highlight of the Fat Stock Show for Texas youth, the contest will find boys from all over the state competing for attractive prizes.

Competition for the contest will hinge around the identification of Texas' leading pasture and range plants with special emphasis placed on the characteristics of the individual plants.

Special awards will be given to the winners of the contest at the evening performance of Roy Rogers' World Champion Rodeo. At the rodeo the boys will get to see top entertainers from Hollywood, headlined by Roy Rogers of Western movie fame and his Texas-born wife, Dale Evans. Along with Roy will be his educated horse, "Trigger", and Roy Wilkins and the Riders of the Purple Sage.

Stock Show officials are expecting more than half a million persons to see the 1950 Show during its 12-day run, February 1 through 12. Tickets may be ordered by writing Rodeo Ticket Director, Houston Fat Stock Show, P. O. Box 2371, Houston, Texas.

TYSON SPEAKS TO ROTARY

Judge Dan Tyson was guest speaker at the regular Rotary Luncheon Wednesday, and gave a very interesting discussion on County Government, finances and co-operation. Lester Williams, Vice-president of the local club was master of ceremonies.

District Engineer, John E. Blair of Bryan was in Cameron Friday afternoon conferring with County Judge, Dan Tyson on road and highway matters.

7 NEW ENLISTMENTS IN NATIONAL GUARD

Battery C, 649th Anti-aircraft Artillery Battalion is continuing to fill its remaining vacancies at a rapid rate, Captain Rudolph Michalka said today when reporting seven more enlistments were made in the organization since the first of the year.

The new Guardsmen, he said, are: Byron K. Tindall, Henry D. Barkemeyer, Johnny L. Mears, John V. Barkemeyer, John H. Brooks, Alfred G. Vansa and Eugene S. Vansa. Brooks is a veteran with service in the Coast Artillery; the others are having their first experience with military training.

Capt. Michalka pointed out that while some of the Armed Forces, according to newspaper reports, have discontinued enlistments, the National Guard has not yet announced such a policy. Accordingly, any young man who is interested in receiving military training should contact Battery C at the army in the old Grammar School building on West Third Street.

TEMPLE WINS FIGHT ON SALT WATER POLLUTION

Operators in the Eastland County oil field today promised to stop salt water pollution on the Leon River, the State gave them 90 days in which to keep their promise.

Temple and other officials, who earlier testified the pollution has caused sickness and done damage to water heaters, pipes and water softening plants, said they were satisfied so long as no new cases of pollution occurred.

The pollution, caused by seepage of salt water in Colony Creek from oil producing leases of Eastland County, carried all the way down stream in the Leon River to Temple, 206 miles away, State Health Department surveys showed.

Byron Skelton, Temple attorney, read letters from doctors who attributed cases of nausea, vomiting and diarrhea to drinking of the salt water.

"This is a very serious problem

for Temple and for any other city using water out of the Leon River. It will also be a big problem for the dam being built above Belton. I understand if a lake is ever polluted with salt water, it is difficult if not impossible to remove it," Skelton declared.

Temple's complaint was supported by officials from Cameron, Belton, and Killeen, by letters, from individual citizens in Ranger and Eastland by the State Game, Fish and Oyster Commission, the State Health Department, the attorney General's department, and by the Brazos River Transmission Electric Co-operative.

Local Couple Win Trip To Cuba In Sales Contest Here

Because of the large volume of Purina feeds sold by the store at Fuchs Brothers Hatchery in Cameron, Mr. and Mrs. Leo Fuchs will be given a five day airliner trip to Havana, Cuba.

In the sales contest during 1949 Fuchs Brothers won second place in total volume sales. Mr. Fuchs was prompt to give credit to the sales force for winning the contest.

Mr. and Mrs. Fuchs say they will take advantage of the prize winning trip and will fly to Cuba. Their many friends in Cameron congratulate them on their good fortune.

Purina feeds are popular in this area and are widely advertised by the Hatchery, Texas' best known breeders of pure bred chickens.

Rudolph Mareth was a Cameron business visitor recently.

White Woman Lawyer Is Sued By Negro Wife for Alienation

A negro woman filed suit in district court Monday charging a white woman government attorney with alienating the affections of her Negro husband and asking \$50,000 damages.

Olive J. Perry brought the action against Ruth Weyand, who is assistant general counsel handling Supreme Court litigation for the National Labor Relations Board.

The woman identified herself in the suit as the wife of Leslie S. Perry, legislative representative of National Association for the Advancement of Colored People.

She described the defendant in her petition as "a single person of great wealth."

Miss Weyand, who was engaged Monday in a case before the Supreme Court, had no comment.

Perry, reached by telephone, said his wife obtained a divorce in the Virgin Islands last August. He had "no comment whatsoever" on any other aspect of the case.

The Perry woman charged that the defendant committed adultery with Perry between July 1947 and last April. It said one child, named in the complaint as Perry Weyand, was born in the course of the alleged "love affair."

Mrs. W. A. Bonds and her mother, Mrs. C. H. Ruby have returned from a three weeks visit with Mrs. Ruby's daughter, Mrs. A. L. Peterson at Yoakum.

HADACOL IS HELPFUL TO FOLKS OF ALL AGE GROUPS

Countless thousands have proved that HADACOL is beneficial to folks of all ages. That is the reason so many purchase the large economy size bottle so all the family can benefit from nature's vitamins and minerals in HADACOL.

For instance, Miss Ethel Guidry, 222 Montgomery St., Port Neches, Texas, only 17 years old, was "feeling nervous, had little appetite, her face was pale and she suffered from gas on the stomach."

Her system lacked the B Vitamins and Minerals which HADACOL contains and this may cause digestive disturbances such as heart burns, indigestion, and often times Miss Guidry says she could not eat the kind and type of food she wanted without feeling terrible afterwards.

Miss Guidry, who recently graduated from high school, is already working in a bank. She said that after taking several bottles of HADACOL she is now "feeling wonderful" and has "lots of pep and energy."

Most folks take HADACOL because it has worked such wonders for relatives or friends. Miss Guidry took HADACOL because her mother had taken 12 bottles with excellent results.

In nearby Port Arthur, Texas, Mrs. W. M. Thompson took HADACOL because it had done her husband so much good. He, in turn, had taken HADACOL because an elderly neighbor told him of "feeling so much better after taking several bottles of HADACOL."

Mrs. Thompson's normal weight is 135 pounds but she was down to 110 pounds before taking HADACOL and after taking a few bottles of HADACOL she regained her normal weight.

"I was bothered with stomach trouble, gastric disturbances, I had lost my appetite and was bloated," said Mrs. Thompson.

She had tried several preparations before taking her husband's advice on HADACOL and now she enthusiastically recommends HADACOL to her friends.

She, too, like Miss Guidry and the others, was suffering from the lack of the B Vitamins and Minerals in her system which HADACOL contains.

A lack of only a small amount of the B Vitamins and certain Minerals will cause digestive disturbances. . . . Your food will not agree with you. . . . You will have an upset stomach. . . . You will suffer from heart burn, gas pains, and your food will sour on your stomach, and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the symptoms and signs of the lack of the B Vitamins and Minerals which HADACOL contains. And if you suffer from such a disorder, there is no known cure except the administration of the Vitamins and Minerals which your system lacks.

HADACOL contains not only one, but five of the B Vitamins. HADACOL contains not only one, but four of the necessary Minerals. It comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away.

It is easy to understand, therefore, why countless thousands have already been benefited by this amazing tonic, HADACOL.

So, it matters not who you are . . . it matters not where you live . . . or if you have tried all the medicines under the sun, give this wonderful preparation a trial. Don't go on suffering! Don't continue to lead a miserable life.

Many persons who have suffered and waited for 10 to 20 years or even longer, are able now to live happy, comfortable lives again because HADACOL supplied the Vitamins and Minerals which their systems needed. Be fair to yourself. Give HADACOL a trial.

—Adv.

Now on Display... See it Today NEW... BIGGER VALUE 1950 DODGE!

TODAY'S BIGGER VALUE DODGE makes your dollars go farther, puts you miles and money ahead.

Here's BIGGER VALUE in comfort—because Dodge gives you a wider, roomier car INSIDE, yet on the OUTSIDE Dodge is more compact for easier handling and parking.

You get a BIGGER VALUE in convenience. Dodge seats are "knee-level" for relaxing support. There's full head room, leg room, shoulder room.

And here's BIGGER VALUE in performance. You get the flashing pick-up of the big high-compression Dodge "Get-away" Engine . . . the amazing smoothness of gyro Fluid Drive. Ask us for a "Magic Mile" demonstration ride. Come in, see and drive the new Dodge today.

GYRO-MATIC

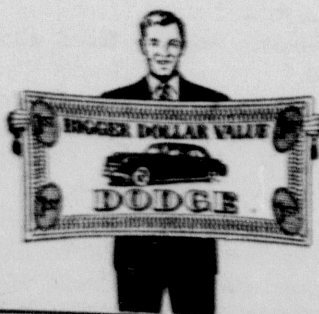

Lowest-priced automatic transmission to free you from shifting, is now available on Coronet models at moderate extra cost.

BIGGER VALUE! Dodge interiors measure up to extra comfort . . . give you more head, elbow and leg room so you can sit naturally in a relaxed position.

BIGGER VALUE! New rear "picture window" for safer driving vision. Wider rear tread means greater safety, better road stability, more riding comfort.

DODGE

Just a few dollars more than the lowest-priced cars!

CITY CAMPAIGN HERE IS LACKING COLOR

With no issues stated and nobody making any plans for the progress of the town the City Primary campaign was colorless as usual.

Saturday, January 14 is the last day the ballot will be open. After that no one can run for nomination in the Democratic Primary.

Based upon what is now showing on the surface the voters in Cameron will have no other choice except to "Keep It Like It Is."

Sweeping needs like overhauling the government and freeing it from the bondage of Common law as well as austerity so badly needed in a budget which must be fixed in August are receiving no attention. With general fund spending now consuming nearly every cent of the tax dollar the drastic, revolutionary remedies so necessary will not be applied, therefore the campaign is lacking both in color and in promise.

Poor poll tax payments may be an indication of the lack of interest shown in Cameron.

Miss Jane Stedman has returned to Baylor University after visiting here with her parents, Mr. and Mrs. H. H. Stedman.

There's something about

There is a lot of satisfaction in having equipment that looks good. But, more important, paint is the best protection against rust and corrosion. We use live steam and a special solvent to remove rust, grease and old paint. Then we refinish with special farm equipment paint that perfectly matches the original Allis-Chalmers color.

The low cost will surprise you. Ask us to quote on your tractor, All-Crop harvester, and other major machines.

Figures Given On Milam Co. State Needs

Figures that bring home the significance of the special legislative session to each county were released today by the State Board for Hospitals and Special Schools.

Commenting on them, Claud Gilmer of Rocksprings, chairman of the board, said, "The problem is not an abstract one." He added:

"It concerns every citizen: No one can say when tragedy can strike or what Texan will be the next to enter one of our institutions."

"I call your attention to the accompanying figures, and I suggest that you may want to familiarize yourself further with the situation by discussing it with your state senator or representative."

According to the board's current records, there are 127 patients from Milam County in the state hospitals and special schools, distributed as follows:

Mental hospitals	91
Epileptic hospitals	8
Mentally deficient hospitals	16
Tuberculosis hospitals	3
Deaf and blind schools	3
Confederate women's home	1
Orphans Home	5

The cost of caring for these patients for the current year is \$100,104.

Appropriations for the institutions will be the business of the state legislature, to be called in special session by Governor Allan Shivers. The last legislature's appropriation for the operation of the hospitals and schools during the next fiscal year was vetoed by the late Governor Beauford H. Jester when it became apparent that revenues to provide for it were not available.

At the time, Governor Jester indicated that a special legislative session would be required to provide the necessary money for operation of the institutions during the second year for the current biennium.

Also to be considered by the legislature is an appropriation to expand the hospitals and schools, which are now, according to several surveys, overcrowded and inadequately staffed.

British Votes Set For February 23

LONDON, Jan. 11—Prime Minister Attlee called a general election Wednesday for Feb. 23.

Britain's 33,000,000 voters on that date will elect a new House of Commons in what promises to be one of the most bitterly fought political contests in recent British history. The issue will be between Attlee's Labor government, which in nearly five years of rule has espoused socialism, state planning and nationalization of industry, and Winston Churchill's Conservatives, who defend free enterprise. But both uphold "welfare state" schemes.

The election was called at a moment regarded by many observers as favorable to the Laborites, despite the defeat in the last six weeks of two Labor governments in New Zealand and Australia.

Mrs. Paul Laake has returned to her home much improved after being ill and in Newton Memorial Hospital.

Mr. and Mrs. Emmett Rutherford of Houston were Cameron visitors the past week end.

CHAMBER COMMERCE DIRECTORS MEET HERE

At the regular meeting of the directors of the local Chamber of Commerce held Tuesday night A. W. McCullin, E. C. Cole and L. G. Smith, manager were appointed to serve on the arrangement committee for the annual Chamber of Commerce Banquet to be held March 14. The committee will engage a guest speaker and make other details pertaining to the banquet.

A nominating committee was also appointed to canvas the membership and prepare a ballot to be sent to members who are eligible to be directors to serve during 1950. On this committee Leo Fuchs, Gene Blake and Henry Siebman will serve.

During 1949 the board of directors voted to amend the by-laws so that the directors would be divided into groups of eight, and only eight new directors would be elected each year. Previously twenty-four were elected each year.

HALF-MILLION VETS GET CASH BY MONDAY

The mailman will deliver U. S. Government checks to some half a million veterans Monday morning.

It's the beginning of the grand payoff on GI life insurance. In all, some \$2,800,000,000 in dividends will be paid out to 16,000,000 veteran policy-holders.

Mass writing of the dividend checks started Thursday. By next week the U. S. Treasury electronic check-writing machines will be grinding them out at the rate of 200,000 a day.

The Veterans Administration plans to distribute the checks by a "block" mailing system. Between now and Monday an estimated 500,000 checks will be mailed out to local post offices.

fices. They will be held up there for mass deliveries on Monday.

The checks range from 60 cents to \$528, depending on the age of the recipient and the size of his policy. The maximum will go to the man who was less than 40 when he took out the insurance, and carried \$10,000 for the full period from Oct. 8, 1940, to Jan. 1, 1948.

The Government intends to settle some \$20,000,000 to \$30,000,000 in old debts while it pays out the insurance dividends. Debts owned to the Government by veterans for such things as overpayments on subsistence allowances will be deducted from the dividend before a check is mailed.

Each check will carry the signature of Paul D. Banning, 57-year-old native of Mt. Vernon, Ohio. As chief disbursing officer of the U. S. Treasury, he has become the "world's" greatest check writer."

Rosebud Football Banquet Thursday

Rosebud's Black Panthers, who advanced to the third round of the State Championship Class A football playoff last fall, will be honored at a banquet given by Rosebud Chamber of Commerce Thursday night.

Bully Gilstrap, assistant coach at University of Texas, will be toastmaster and Senator Fred Harris of Dallas, ex-Baylor athlete, principal speaker.

State Teachers Association Meet

Eight Milam County Teachers attended the Bell County division of the State Teachers Association that was held in Rogers Saturday from 9 to 3 o'clock.

They were: Mrs. Charles M. Hicks and Miss Mabel Jeter, members of the Yoe High faculty, Mrs. Lucille Bailey, Milam; Miss Mary Walschack Buckholts; Mr. and Mrs. Fred Hodges Burlington; Dr. O. M. Roane and Mrs. J. D. Lewis.

The meeting proved to be interesting with discussions on school life, directed by Dr. Margaret Rouse, association professor of Education, TCU.

An interesting panel of health, education and citizenship was held with Dr. Joe V. Humprey, superintendent of Temple schools.

At the noon hour a banquet luncheon was served.

Ed Jurca of Buckholts was a visitor in Cameron recently.

CARD OF THANKS

We want to take this opportunity to thank our friends and neighbors for the kindness and sympathy shown us during the illness and at the death of our beloved mother, Mrs. Joe Baron. Our special thanks to the Telephone girls, who aided us in so many ways and their loving sympathy will always live in our memory. To Dr. David Shapiro, Dr. Billy Newton, Dr. Crump, Dr. Denson, Dr. Bartlett and the staff of nurses at Newton Memorial Hospital, we are deeply grateful for their tender care and help. We also want to thank Father George Duda, Father John O'Reilly, H. B. McClellan, Glass The Florist, Marek-Burns Funeral Home, the Houston Telephone Co., those who sent flowers and food and to anyone who helped in our home or aided us in any way at the time of our sorrow, we shall always be grateful.

Lydia (Tiny) Baron
Frances Baron.

HOTTEST ENGINE NEWS of 1950

That's the word spreading about Buick's brand-new F-263 valve-in-head engine, already proving itself in the hands of new SUPER owners

CALL it if you will the biggest power-story of the year. Call it another triumph in Buick's long history of coming up with car performance beyond compare.

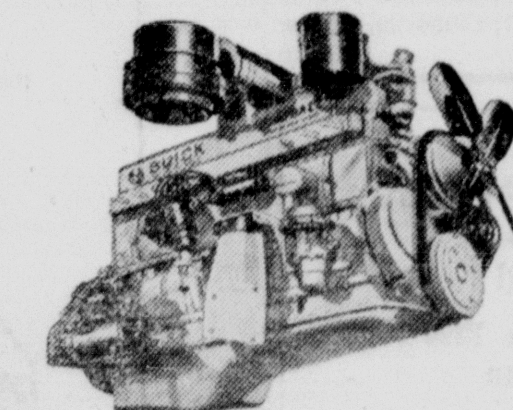

But, sir, when you step into the sleek-lined traveler pictured here—hang on to your hat.

For you'll be riding behind a power plant that is not only new but a major sensation of the 1950 season.

You'll be commanding the very latest word in valve-in-head power—the newest accomplishment of the organization with the country's longest stretch of experience in this engine design.

Here every fist-size fuel charge now delivers a huskier wallop. Shorter, lighter connecting rods mean that pistons flash with faster and livelier action.

Heavier crankshafts, floated on bigger,

more rugged bearings, take this greater load and transmit its stepped-up surge to the drive shaft and rear wheels.

And you, behind the wheel, wreath your face in smiles at the lift you find! At the trigger-quick take-off—the mile-eating cruising stride—your easy disdain for the passing gas pumps.

You and your SUPER are really stepping out—and Buick's good name as "a sweetheart on the road" gains still more lustre.

Nor is road-thrill the only blessing this new power plant brings. Simpler design makes service easier, so upkeep diminishes as a problem. Hydraulic valve-lifters keep valves properly seated for efficient operation—and for

quiet unbroken by tappet noise.

And you can have this power either with Buick's easy-shifting Synchro-Mesh transmission or the silken luxury of Dynaflo Drive.*

Either way, this SUPER is certainly something to see. To this top-notch new power it adds style and room, comfort and a wide outlook, soft easy stride and handier new over-all length.

Even the price justifies a prompt trip to your Buick dealer to learn more about Buick for 1950. You'll soon see why so many folks are already saying, "Whatever your price range—better buy Buick!"

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Features like these mean BUICK'S THE BUY

HIGHER-COMPRESSION Fireball valve-in-head power in three engines, five hp ratings. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with bumper-guard grilles, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • DYNAFLOW DRIVE standard on all ROADMASTERS, optional at extra cost on SUPER and SPECIAL series • NINETEEN MODELS with Body by Fisher • WIDE CHOICE OF EQUIPMENT adding flexibility to prices that bracket every price range above the lowest.

WHATEVER YOUR PRICE RANGE

COTTON ACREAGE READY DEBATE ON HOUSE FLOOR

Legislation which would limit the cuts cotton farmers must take under the new cotton acreage allotment act is now ready for debate on the House floor.

The measure was approved by the House Agriculture Committee yesterday.

Chairman Cooley, Democrat of North Carolina, of the committee told reporters he would report the measure Monday and would ask House leaders to bring it up for consideration at the earliest possible time.

"I believe the plan we have worked out will bring relief to a lot of growers now suffering inequities," he said.

In effect, the proposal would insure that no cotton farmer would be forced to make a cut of more than 30 per cent in his acreage.

It includes provisions for reallocation within counties of unused allotments.

Many growers have protested that as the act has worked out they are being required to have reductions of 50 to 75 per cent, whereas the national overall cut was only 23 per cent.

The legislation also contains amendments to the wheat and peanut allotment acts.

The wheat provision merely extends for the 1951 crop the minimum allotment which was set up for the 1951 wheat crop.

The amendment to the peanut section provides that no State shall be forced to take a cut greater than the national cut, which was 20 per cent. Cooley said the effect of the change would be to add 100,194 acres to the peanut allotment, most of the additional acreage to go to Alabama and Texas.

Sons Of Hermann Lodges Install New Officers

Officers were installed at a joint meeting of the Marlin, Burlington and Cameron Sons of Hermann lodges at the Odd Fellows hall here recently.

Fred T. Feldoff of Waco, district supervisor and grand president, P. L. Bergun of Burlington, acting grand vice-president and Phil Krause of Burlington, grand guide, installed the officers.

Officers from Cameron are Emil Boedecker, president; H. L. Dakel, vice-president; George Laffere, secretary-treasurer.

Burlington officers are Will Stoenber, president; George Kahlig, vice-president; and Phil Krause, secretary-treasurer.

Lunch was served after the meeting.

Mrs. Nadine Sapp visited her son Clayton Sapp and family at Corpus Christi over the holidays.

Mrs. Nathan Wilson is ill and a patient in St. Edwards Hospital. Mrs. Wilson is cashier for the J. C. Penney Co.

CARD OF THANKS

We wish to take this means of thanking our friends and neighbors for their kindness shown us at the death of our little boy, Roger Thomas Hitt. To those who sent the lovely flowers we are truly grateful.

M-Sgt. and Mrs. Dee Hitt
Mr. and Mrs. R. T. Delahunty
and other relatives.

The many friends of A. W. Burnett of Route 3, Cameron will regret to learn he is among the patients ill and in St. Edwards Hospital.

CARD OF THANKS

We take this means of expressing our sincere appreciation to our friends and neighbors for the many kindnesses shown us during the illness and at the death of our beloved grandmother, and aunt, Mrs. Lucindy Elizabeth Richards. We also wish to thank the Phillip and Luckey Funeral Home. To those who sent flowers to express their sympathy we are also grateful.

Frank Parker,
Mrs. Porter Rice and family.

The Cameron Herald January 19, 1950

Mr. and Mrs. J. H. Robertson of Riveia were in Cameron Saturday and visited Mrs. A. J. Johnson who is seriously ill at her home here. They will visit Mr. Robertson's sister, Mrs. A. J. Blasienz and Mrs. J. B. Boyd of Rosebud before returning to their home. Mr. and Mrs. Robertson are formerly of Cameron.

DID YOU KNOW

1. That the Bryan Production Credit Association which serves Milam and five other counties is completely owned and operated by farmers and ranchers?
2. That the association pays Federal income and other taxes just like other privately owned businesses?
3. That the association does not and never has loaned government money?
4. That the association gets its money from the Federal Intermediate Credit Bank of Houston which in turn gets it from private investors in all parts of the country?
5. That during 1949 the association brought over \$500,000.00 of this money into Milam County to the benefit not only of farmers and ranchers, but of the people in all other lines of business?
6. That the association maintains an office in Cameron, and makes crop and livestock loans to sound operators?

Thirst, too. seeks quality

where else does
quality mean so much?

Ask for it either way...both
trade-marks mean the same thing.

Acheson Paints Unhappy Picture For Us In Asia

Secretary Acheson, obviously acting under domestic political pressure, has painted for us an unhappy picture of America's ability to do anything about the communist advance in Asia, some aspects of which might better have been left undefined.

By outlining the areas where the United States would be forced to present a firm and unyielding front, even to the point of war, a blueprint is also handed to Russia of the areas—including practically the entire Asiatic continent—where penetration can be carried on practically without danger.

The secretary does not say that the U. S. will do nothing in Burma, Indo-China, India and all the other places which are threatened as the communists consolidate their conquest of China. But the initiative is left to the people of Asia. Help—apparently limited under pressure concepts to moral and economic—might go out on an "as asked" and "as available" basis.

Acheson is known to be deeply sin-

cere in his belief that the United states cannot "move in to drive these peoples the way American policy wants them to go. The unhappy part of it all is that there is little promise of concrete support no matter what they do.

The world-wide line of containment against communism has a gap in it from Iran to Japan.

No hope of an Asiatic Marshall plan is held out. Such help as is available under point four will go on the cry of imperialism which has been heard in Europe and to which the Orient would be much more susceptible.

Much of American officials hope for Asia seems to be predicated on the belief that Russia will hang herself in the minds of the people by her actions in China. That after she has incorporated certain northern areas there will be a revulsion even among the communists in what is left, and among the until-now independent countries.

Idle Miners Now Stand at 59,000

Nearly 9,000 more soft coal miners joined the parade from the pits Tuesday, sending the total idle to more than 59,000.

Some 2,300 diggers went back to work after a one-day walkout but a flood of new strikes broke out against steel company-owned mines in western Pennsylvania and West Virginia.

Four additional steel companies were hit. They are Bethlehem Steel Corporation, Jones & Laughlin Steel Corporation, Sharon Steel Corporation, and Wheeling Steel Corporation.

Fifty-two mines are shut down in western Pennsylvania, the hardest hit area. More than 30 of them are steel "captive," or non-commercial operations.

Texas Hybrid Corn Grows Close To Home

F. B. Romberg has been growing Hybrid seed corn for a number of years around Bartlett and Holland, Texas. Being so near Cameron this corn is well adapted to our weather conditions.

The new varieties of Texas Hybrid corn have proven to be great producers and are in great demand. In some instances there may not be enough to go around.

Mr. Lester, local representative at the Cameron Seed Company invites your inquiries. The new seed corn is now on display.

VOTERS DISREGARD BIG POLITICAL YEAR

With only about two weeks left for 1950 payments without penalty the situation was not too promising.

In the county not more than 2000 Poll Taxes had been paid out of a possible 7000 and in the city the situation was about the same with only about 40 per cent poll taxes paid.

Payment of other taxes were slightly above Polls. While collectors said the situation was slightly below normal it can be seen that payment must increase rapidly within the next two weeks.

Valter White, County Tax Collector said that he estimates that around 2000 poll taxes have been paid, and that advalorem tax payments were about 65 per cent paid.

W. H. Stafford, City Tax Collector said his office had issued about 400 poll taxes out of a possible 1200, while property tax payments were about normal.

Whether there is a revolt against poll tax payment remains to be seen. Failure of a recent proposed amendment to abolish the poll tax in Texas delayed many in payments. In election years poll tax payments are usually heavy and since general primaries are to be held this year poll tax payments are far below expected level.

Mr. and Mrs. Thomas J. Hickerson and baby son were Sunday guests of Mr. and Mrs. S. A. Cottle.

Friends of T. F. Locklin, Commissioner of Thorndale will regret to know that he is ill and confined to Newton Memorial Hospital.

Killeen Kangaroos Win Championship

Killeen's fighting Kangaroos battered their way to the Central Texas high school boxing championship and took home the beautiful team trophy along with five individual novice-high school division titles as the Golden Gloves district tournament was concluded Saturday night before 1,000 fans in the Wildcat gymnasium.

The final night's card was slightly marred by four defaults, two of them in each class. One Killeen heavyweight defaulted rather than fight his teammate and Belton's spunky Billy Don Miller, one of the crowd's favorites, was forced to forfeit his novice welterweight title match on doctor's orders when he suffered a broken nose. Two of the open finals ended in defaults, although there was an exhibition to replace one of them, and the three lightest open champions were without opposition. No open fly-weights were entered.

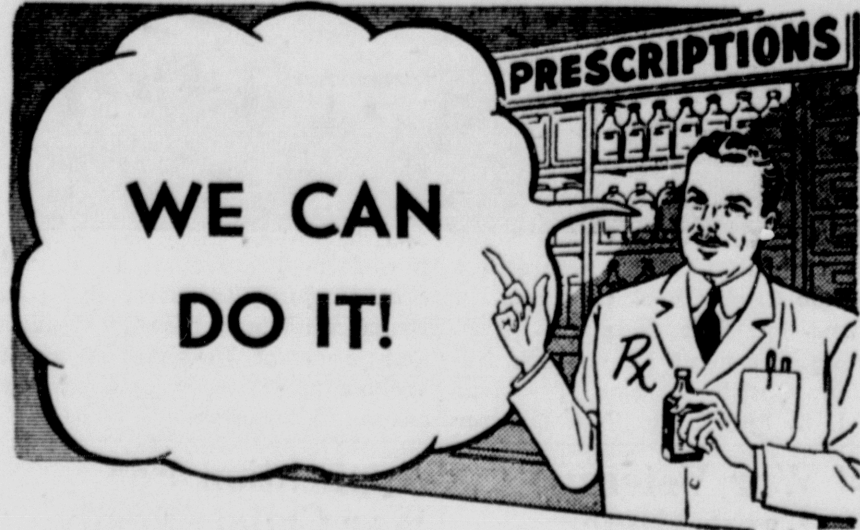

Coach Leo Buckley of Killeen announced that his boxers would be un-

able to accept their individual trophies until their high school careers are over, since the Interscholastic League has a rule against accepting such awards. Those boys whose eligibility has been completed will get their trophies immediately.

Killeen won the high school title without having to overcome Temple's seemingly insurmountable lead. Temple's totals through Friday's fights

had been figured wrongly, since many of the local boxers were not in high school standings, with each victory counting one point, gave Killeen 11 points, Belton six, Temple five, and Cameron four.

Little Marcy Silva of Galveston is spending this week visiting her grandparents, Mr. and Mrs. Claude Robinson.

Mrs. "Nig" Moody Honored With Shower

On Friday afternoon, January 13, Mrs. "Nig" Moody was guest of honor at a party given at the home of Mrs. H. N. Tate. Mrs. M. A. Hearne and Mrs. Earl Angel assisted Mrs. Tate as hostesses.

The party was almost a complete surprise to Mrs. Moody, who unwittingly arrived early. The thirty other guests, Home Demonstration Club members from over the county, entered by a side-door and handed their gifts to a hostess.

When all were assembled in the living room, Mrs. C. G. Muston entered with an arm-chair decorated in pink and blue and placed it where everyone could see it. Then she introduced the guest of honor as "Her Royal Majesty Isabelle Moody" and asked her to sit on the improvised throne.

Mrs. Tate placed the crown upon the "queen of the party." The crown

was fashioned of baby blue crepe and had in the center-front a gold pin inscribing the word "Mother".

Then Mrs. Zeke Brod directed a contest called "Flowers for Baby".

Next the "court" was entertained by the "court jesters", Mrs. Robert Glenn and Mrs. Floyd Mullinax, who wore "fool's caps" and drank soda pop from bottles with nipples.

After this stunt and in quite a different vein, Mrs. R. L. Batte paid a lovely tribute to Motherhood, read some of her own very excellent poetry, and paid a high complimentary tribute to Mrs. Moody herself.

Finally, the "court pages" were summoned, and they brought in a large pink-and-blue basket holding twin dolls and a multitude of beautifully wrapped packages. In addition, a wheel-barrow lined with linen was rolled in. It, too, was overflowing with packages.

After Mrs. Moody had opened her gifts and had shown them to the other guests, the hostesses served an attractive and delicious refreshment

course.

Mrs. Tate's livingroom and dining-room made a lovely setting for the party. Of particular interest among the decorations was an enormous stork, actually holding a doll in a diaper.

Woodman Circle 996 Installs Officers

Woodmen Circle Grove 996 recently met at the home of Mrs. Wright Price, Sr.

The living room of the Price home was beautifully decorated for the occasion.

Installation of officers was held and the following officers were installed: President, Mrs. Leo Laake; First Vice President, Mrs. Angeline Allen; Second Vice President, Mrs. Edwin Adams; Attendant, Mrs. Henry Brown; Assistant attendant, Satena Nesbit; Treasurer, Mrs. Wright Price; Chaplin, Mrs. Sam Houston; Secretary, Mrs. Henry Johns; Musician, Mrs. Mazie Price.

The hostess was assisted by her daughter, Nora Frances in serving a delicious chicken salad plate with sandwiches, potato chips and coffee.

B. & P. W. Club In Regular Meeting

The Business and Professional Women's Club met in the club rooms on the night of January 17 with Mrs. James A. Brock and Mrs. R. L. Terry as hostesses.

Plans were discussed regarding a Benefit Party to consist of domino and card games to be given on or about Valentine's Day. Funds raised at this event will be used for donations to the Infantile Paralysis Fund, Red Cross and other worthy charities. Miss Myrtle Hinton, Mrs. Roy Vaughan and Mrs. Needham were appointed as a committee to make arrangements. Complete details will be given the public in the near future.

Mrs. L. Van Perkins and Mrs. R. L. Terry were appointed to represent the B&PW Club at an organizational meeting to be held in the District Court Room on January 23, to discuss plans for a mass tuberculosis survey. The Tuberculosis X-Ray Unit will be in Milam County in March.

A report was made by the committee investigating ways and means of raising money to finance medications and surgical supplies for a charity ward at St. Edward Hospital. It is hoped that civic organizations and civic minded individuals can be induced to work in a united effort to make the charity ward possible.

"42" Leisure Club Entertained Thursday

Mrs. Leo Laake entertained members of the "42" Leisure Club, and one guest, Mrs. Robert Maspoost of Temple, sister-in-law of the hostess last Thursday.

A Valentine motif was carried through out the party, in decorations, talley score pads, prizes, table cloths and napkins and in the refreshment course.

Games of "42" were played with Mrs. L. F. Slama holding high score, Mrs. Jim McGoldrick second, "84" prize fell to Mrs. Leo Fuchs. Table cuts went to mesdames, John Matyastik, A. K. Gurecky and L. F. Slama.

Refreshments consisted of angel squares topped with heart shaped jello with whipped cream and coffee. Plate favors were Valentines.

Linda McGuire Celebrates Birthday

Little Linda Darlene, daughter of Mr. and Mrs. Ed McGuire celebrated her sixth birthday with a party from 4 to 6 at the McGuire residence Wednesday, January 11.

The following little guests were present, Jimmy Woodum, James Hairston, Stanley Hairston, Mary Alice Duncum, Lois Horstmann, Beverley and Larry Wernli and Shirley Baker.

After a series of games Mrs. McGuire assisted by Mrs. Hairston served sandwiches, soft drinks and cake.

Miss Joyce Busker E. J. Provasek Wed

Miss Joyce Katherine Busker, daughter of Mr. and Mrs. J. E. Busker and granddaughter of Mrs. Katherine Witt of Burlington and E. J. Provasek son of Mr. and Mrs. J. C. Provasek of Yarellton were married January 7, 1950 at nine o'clock with Judge Dar Tyson performing the ceremony at his home on North Travis.

The bride was attired in a lovely navy blue suit with navy accessories white blouse and gloves. Her corsage was of split pink carnations. She wore pearls, a gift of the groom.

After a short wedding trip the bride and groom will make their home at Burlington.

Mrs. Provasek is a graduate of Rosebud High School and is employed in the office of the Milam County PMA.

The groom is a graduate of Buckholts High School.

The Cameron Herald January 19, 1950

Wedding Shower Honors Miss Rummel

Miss Fay Rummel, bride-elect of Edwin Kohutek was complimented with a miscellaneous wedding shower at the Vogelsang Community House, Wednesday evening, January 11.

Mrs. Helen Chambers, Mrs. Dennis Klien, Mrs. Willie Stall, Mrs. Albert Rummel and Mrs. Arnold Rummel were hostesses.

The rooms were decorated in keeping with Valentine colors of red and white, with a huge paper heart decorated in lace ruffles placed in the center of the room bearing the names "Fay and Eddie".

The many beautiful and useful gifts were concealed behind a curtain which at the appointed time was drawn; and the bride-elect opened and passed the gifts for the guests to admire.

Games were conducted by Mrs. Dennis Klien and Mrs. Ervin Pelzer.

The hostesses served a dainty sandwich plate with hot chocolate. Plate favors were red candy hearts bearing the couple's names.

The wedding will take place Saturday evening at six o'clock.

Miss Rummel is manager of Lina's Beauty Shop in Cameron.

Pleasure, Profit In Regular Meet

Miss Majorie Williamson was hostess to the Pleasure and Profit Club Thursday afternoon at the home of Mrs. Herbert Nance. Miss Dorcas Haynes gave a review of the book, "Now That April's Here".

Mrs. W. A. Morrison presided over the business meeting.

Featured in decorations in the home was a large bouquet of red carnations on the mantel. A refreshment course of hot chocolate and cookies was served by the hostess.

Jack Higginbotham, local highway patrolman, will discuss accidents and traffic rules and regulations at the next meeting to be held in the home of Mrs. Charles Brady.

Civic Garden Club Met Last Thursday

The Civic Garden Club held its regular monthly meeting at the Milam Coffee Shop with Mrs. Charles Brady in charge of the program and introduced the speaker, Mrs. Lester Glass, who discussed "Pot Plants and Their Care".

Mrs. J. D. Moore presided over the business meeting. Roll call was answered with the name of a garden magazine. Mrs. David Shapiro reported on the Christmas Cheer basket given to a needy family at Christmas.

Mrs. Alvin Dusek announced that Mrs. A. E. Collier of Temple will speak on flower arrangements at the next meeting to be held the second Thursday in February.

Cameron History Club In Recent Meeting

The Cameron History Club met at the home of Mrs. Drayton McLane recently with Mrs. J. E. Johnson as co-hostess.

Mrs. Graham Gillis presides over business with roll call being answered with a discussion on old glass. Early American glass was discussed by Mrs. Stanley Swift.

Refreshments were served from the dining room by Misses Jo Ann and Kate McLane. An arrangement of yellow chrysanthemums centered the table.

High School Students Enjoy Recent Party

Mrs. Leona Walton, Mrs. Alma Harrison and Miss Edith Walton were recent hostesses at a party for a group of high school students.

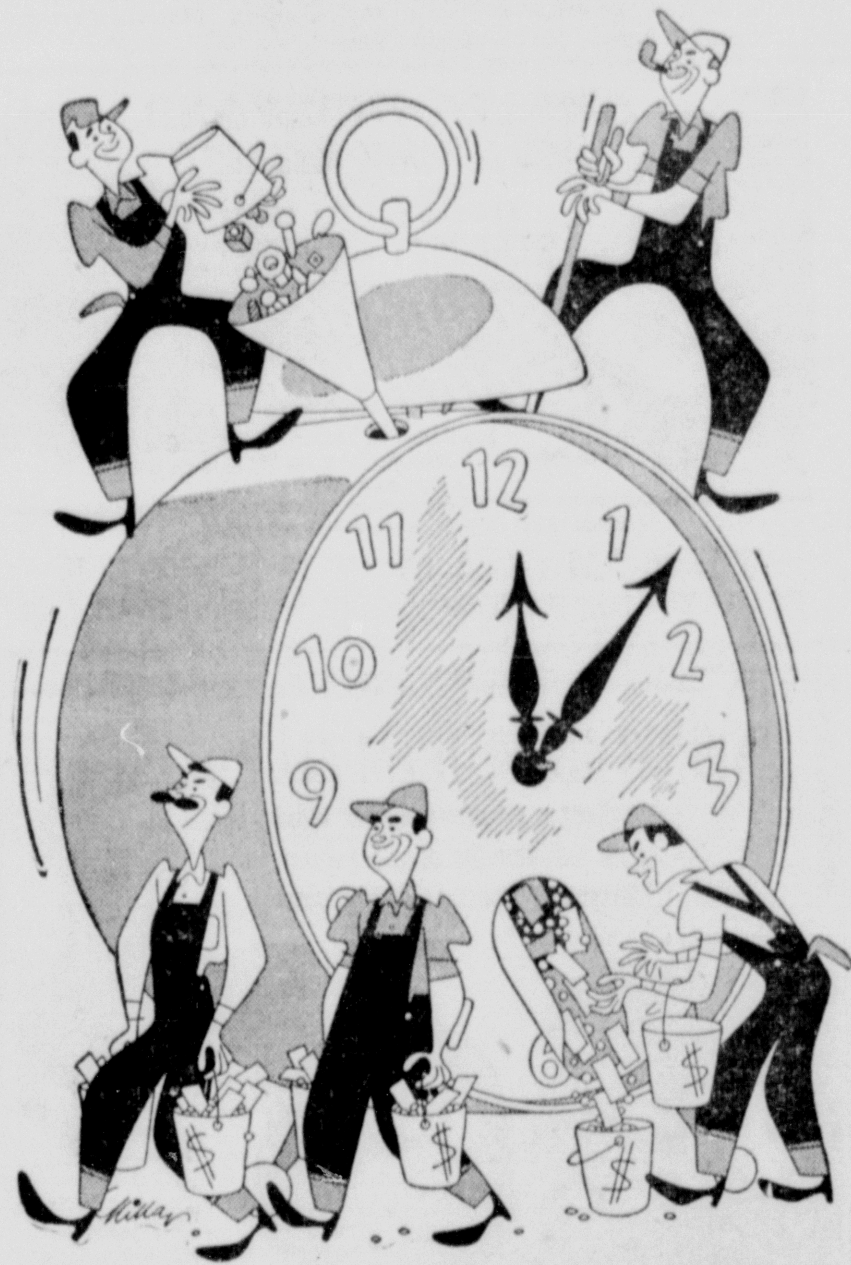

The party was held in the club rooms at the Milam Coffee Shop.

Approximately sixty guests were present to enjoy the occasion.

The hostesses served iced coles during the party.

Mr. and Mrs. Horace Leonard attended the funeral of his uncle, Jim Byrd at Sharp Tuesday.

Money-making Machine!

Yes, there is such a device! It hangs on your wall, around your wrist, sits on your mantel, and wakes you up in the morning!

It's a clock—just a clock. Every minute, every hour it ticks off can make money for you!

All you have to do is invest in the Savings Plan that puts Time to work—all you have to do is put your money where it grows—in United States Savings Bonds!

Hour by hour, month by month, year by year, every bond you buy increases in value, until it's worth four dollars for every three it cost!

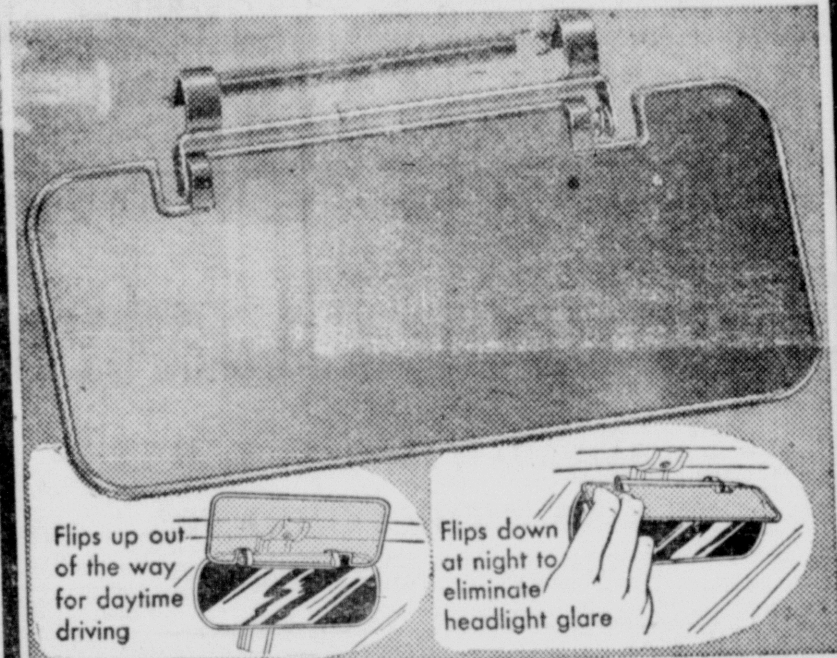

Your Government has made it wonderfully simple for you to acquire a stockpile of bonds. It offers you two plans. One is at your place of business—the Payroll Savings Plan, that gets you a bond just as often as you like. Two is at your bank—the Bond-A-Month Plan, that gets you a bond monthly through your checking account.

Let those money-making machines make money for you! Sign up for the plan you want today!

Automatic saving is sure saving U.S. Savings Bonds

YARRELLTON NEWS

MRS. LENA RUSSELL
Mr. and Mrs. Anson C. Hooper of Houston and Miss Joyce Fay Lock of Sharp spent Sunday in the home of their aunt and uncle, Mr. and Mrs. C. E. Russell.

Rev. R. L. South spent the week end in the home of Mr. and Mrs. Rodney Barker.

Mr. and Mrs. E. J. Provasek have returned home after a wedding trip to New Mexico and other points of interest.

Mrs. John Lott returned home Friday after a visit in the Valley, Corpus Christi and San Antonio with their children, Nathan, Elvis and Mr. and Mrs. Curtis Brasington and family.

Mrs. Fisher Ward and Mrs. Clarence Colburn were on the sick list the past week and are now improving.

Ed Pagel is a patient in a Rosebud Hospital.

Mrs. Ed Pagel was hostess to a wedding shower in honor of Miss Joyce Busker, recent bride of E. J. Provasek. The spacious new home of Mrs. Pagel was opened to a group of friends and relatives in the form

of a miscellaneous tea on January 5. Miss La Verne Provasek presided at the brides book. Mrs. Edwin Fisher poured coffee and Mrs. J. A. Provasek assisted Mrs. Pagel in serving turkey salad on lettuce, pickles, Ritz and angel food cake with mint topping and coffee and tea. The hostesses were attractively dressed in green suits with pink carnation corsages. The honoree wore a grey suit with a red carnation corsage. The lace covered table was centered with white carnations and green fern forming an arch for a miniature bride and groom. On either side were white candles. The honoree received many useful gifts. The couple were married January 7 and left immediately for a honeymoon trip through the South West and New Mexico. The bride is the granddaughter of Mrs. Katherine Witt of Burlington. The groom is the son of Mr. and Mrs. J. A. Provasek and has been employed as bookkeeper for the Yarrellton Gin for several years.

Ed Kotrla of Waco spent the week end visiting his mother in Cameron. Mr. Kotrla is with the General Tire and Rubber Manufacturing Co. of Waco.

JONES PRAIRIE

By MRS. S. S. HICKMAN

Mrs. J. H. Burnett entertained the H. D. Club at her home Tuesday afternoon, January 10. The rooms were attractively decorated in seasonal flowers and greenery. Mrs. Carlton Crook, recreational leader was in charge of the games. The year books were filled out for the year. The hostess served a plate of delicious sandwiches, pecan pie, coffee and hot chocolate to the sixteen members present. The next regular meeting will be January 24 with Mrs. Bailey Jones as hostess. Mrs. J. A. McKinney will give a school of instruction on parliamentary procedure.

Mr. and Mrs. Claude Robinson of Cameron, Mr. and Mrs. C. R. Moon of Austin Mr. and Mrs. Berry Westbrook and children of Hearne visited Miss Esther Delano in Rockdale Sunday.

Mrs. S. R. Zawadzke of Buckholts was a Cameron visitor Wednesday of this week.

Pro Football To Be Banned From Rice's New Field

Rice institute has unofficially barred professional football games from its new, unfinished 70,000-seat stadium and oilman Glenn McCarthy hinted he might build his own stadium to accommodate his proposed team.

The fabulous oilman-hotelman said the matter of a stadium would be a hindrance to his chances for a Houston franchise in the new National-American league, but had no further comment on the views of Rice trustees.

In an unofficial telephone query by McCarthy's aides, the trustees said there would be no pro football in the

The Cameron Herald

January 19, 1950
new, multimillion-dollar plant on the Rice campus, due for completion by September.

They almost unanimously avoided official statements as to the reasons for such action, but a spokesman in the McCarthy heir-archy noted that disfavor might have been found in Sunday football, and also suggested that a tax exemption problem involved might have prompted the decision.

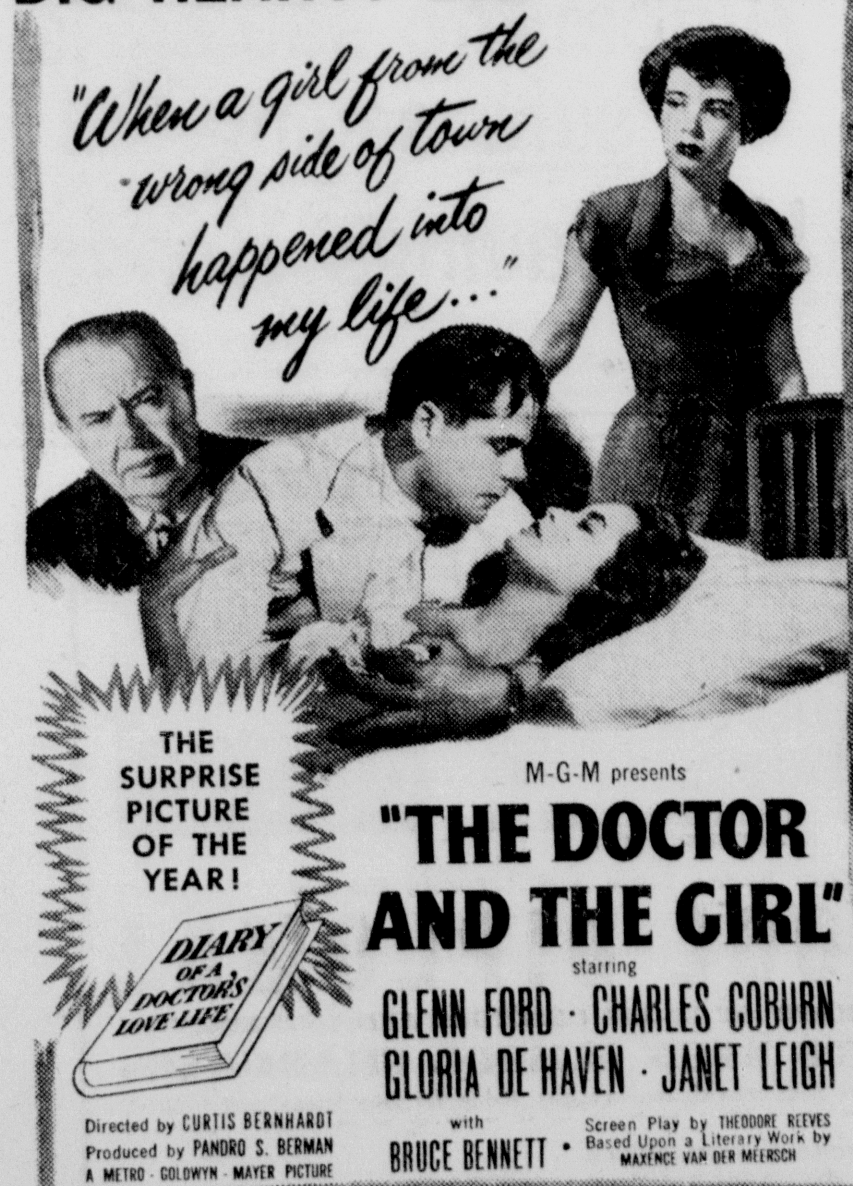

Sunday guests in the home of Mr. and Mrs. Frank Richards were: Mrs. R. M. Kennedy and son Howard of Temple, Mr. and Mrs. Monroe Kennedy of Houston and Ollie Kennedy of Bryan.

Mrs. R. L. Batte, Sr. To Be Honored On Radio Broadcast

Sponsored by Wolfe The Florist of Waco, Texas the radio program "An Orchid To You" will honor Mrs. R. L. Batte, Sr. Sunday afternoon at 2:00 until 2:15. Her many friends will be glad to know that this honor has come to Mrs. Batte and they may hear the broadcast over station KWTX (123 on your dial).

The honor comes to Mrs. Batte through the Missionary Women of the "Maggie J. Rogers" Zone of the Bryan District of which Mrs. Batte is a district officer.

This fifteen minute program will be given over to interesting facts dealing with Mrs. Batte's family and home life, and with her personal achievements.

As a writer, civic leader and church worker Mrs. Batte is widely known and has many friends throughout the country who will be glad to hear of this added honor.

Mrs. Helton of Baylor University was in the Batte home Friday for an interview with Mrs. Batte and to arrange for the broadcast.

An Orchid will be sent to Mrs. Batte today by Wolfe The Florist.

GOVERNOR SHIVERS CALLS LEGISLATURE

Gov. Allan Shivers announced today he will call the Legislature into special session on Jan. 31 to take action on a multi-million dollar financing plan for State hospitals.

He expressed optimism that the task will be met in a 30-day session.

"I still," he said, "have a very fond hope that they will (vote a State hospital financing program in 30 days.)"

However, he said he would limit his call to financing the \$17,500,000 operating cost of the institution for the second year of the present biennium, as well as "some portion" of the multi-million dollar building program.

He declined to estimate how much he thought his "portion" would be. The Governor said he was awaiting estimates and recommendations, expected next week, from the Board for Texas State hospitals and special schools.

He said that he intended the Legislature to limit its special session to the State hospital problem.

"The special session," he said, "will be called to solve the special problem of State hospitals."

E. O. S. Holds Regular Session

A regular meeting of the Cameron Chapter of the Eastern Star, No. 553 met at the Masonic Hall January 10 at 7:30 o'clock with the Worthy Matron, Mrs. O. B. Horstman presiding.

Mrs. Ruby Emloe of Bryan, Deputy Grand Matron, District 4 order of Eastern Star, was present and was introduced by the local worthy ma-

tron, Mrs. Horstman. She gave an interesting and instructive talk on the work of the O. E. S. She was accompanied by Mrs. Lizzie Patterson and Mrs. Lola Daniels of Bryan.

Other members from near by chapters were mesdames, Belle Terry, Audis Porter, Dottie Weise and T. F. Criswell, of Calvert.

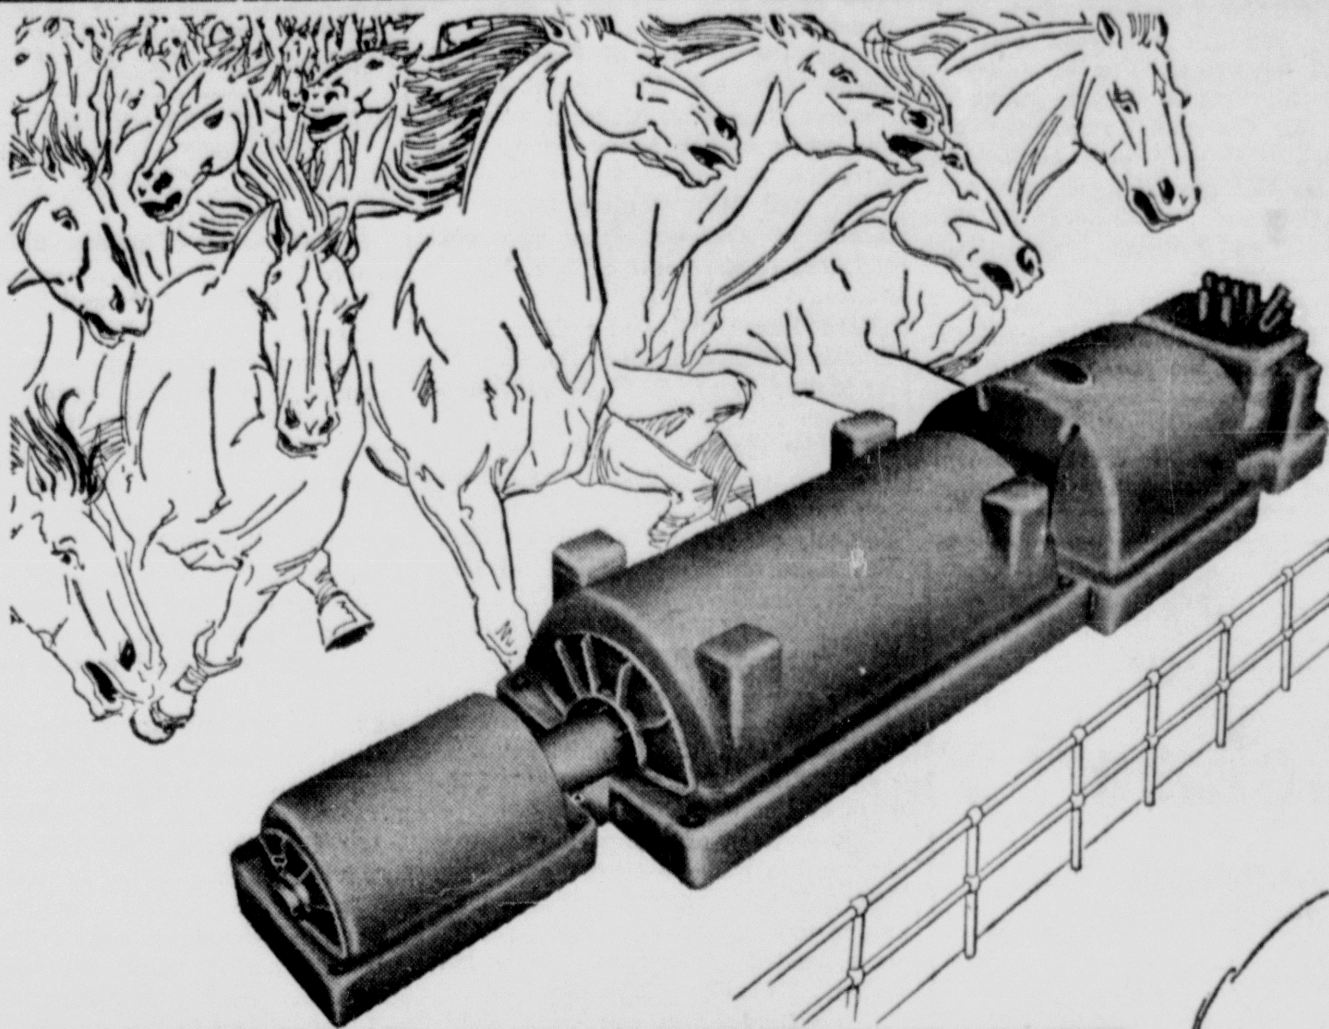

Following the evening program a delightful salad course was served with hot coffee in the dining room to about 45 members and guests.

The Cameron Herald

January 19, 1950

Dick Depew, an associate of Dee's Studio is ill and a patient in St. Edwards Hospital. His friends with him a speedy recovery.

Johnny Yarbrough who is in the U. S. Navy and stationed at Memphis, Tenn., spent the holidays in Cameron visiting his parents, Mr. and Mrs. F. P. Yarbrough and other relatives.

100,000 more HORSEPOWER

OF ELECTRIC ENERGY FOR CONTINUED GROWTH OF TEXAS INDUSTRY AND AGRICULTURE

More electric power for the industrial and agricultural development of North, Central, and East Texas is surging from a giant new 84,000-horsepower steam turbo-generator, in the Texas Power & Light Company plant at Trinidad and from a 16,500-horsepower turbo-generator recently completed at the Company's Waco power plant.

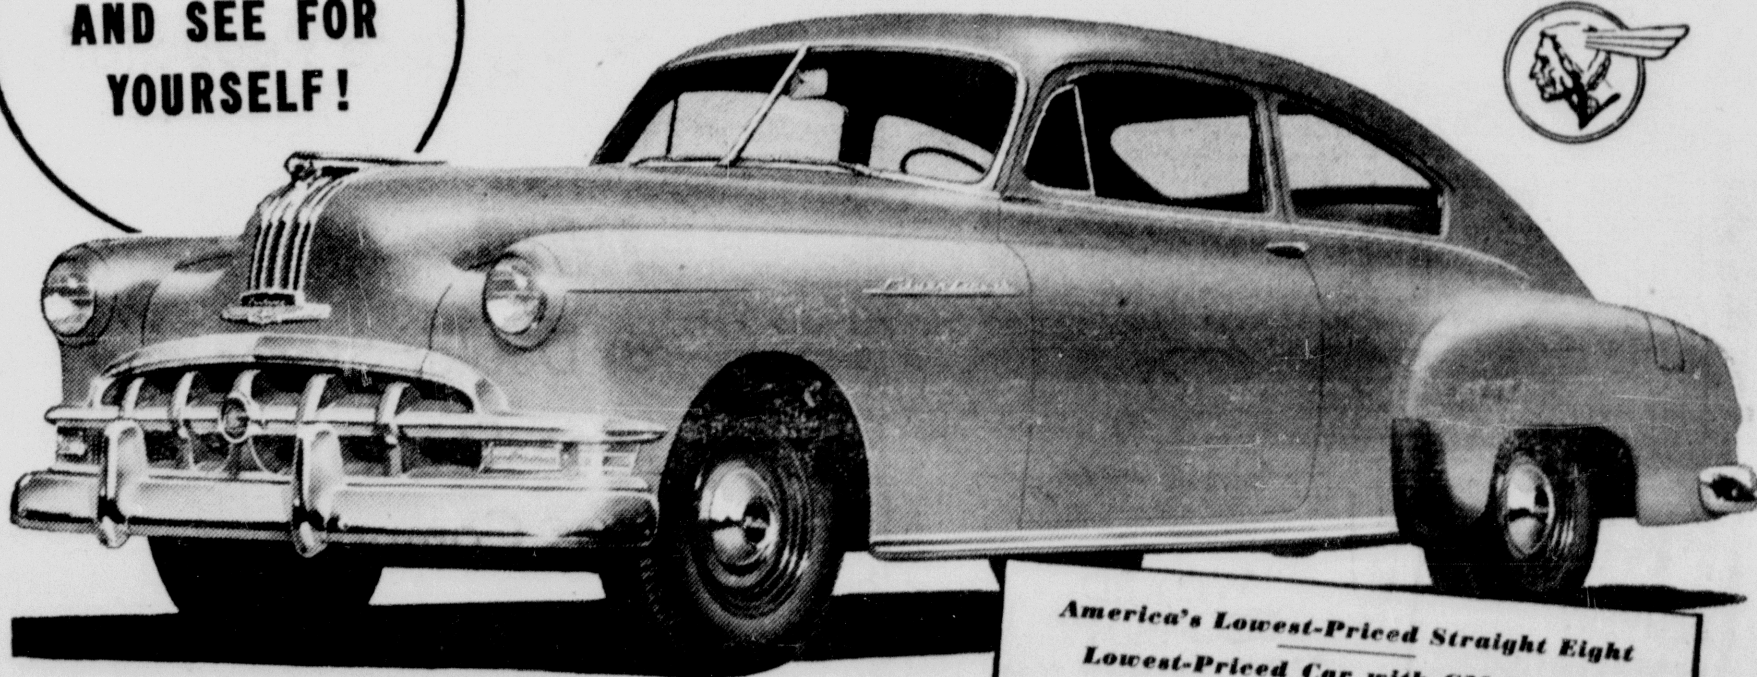

These two new generators, providing 100,500 more horsepower of electric energy for tomorrow's growth and development, will turn the wheels of still more industries... serve increasing numbers of commercial establishments... energize more time-saving and labor-saving appliances and equipment on Texas farms and in Texas homes. They will contribute to a new high standard of living... attuned to Texas' fabulous progress!

Installation of this new capacity is part of Texas Power & Light Company's program of "planning for the Texas of tomorrow."

ABOUT THE**

All over America, on big farms and little farms, it's proving itself "The Year 'Round Tractor"... winning fame for all 'round performance, all 'round the farm, all year 'round.

You'll respect the Ford Tractor for the way it buckles down to heavy jobs of plowing or discing. You'll like it, and Dearborn Equipment, too, for the way you can do such jobs as scraping, leveling, loading, ditching, terracing, excavating, digging post holes or sawing wood. Most Dearborn implements lift or lower at a touch on the Ford Hydraulic Touch Control. Ask for a demonstration.

Get in Race, March Tells Culberson

Caso March, third-try candidate for Governor, complained Monday that Railroad Commissioner Olin Culberson should make a formal announcement of his candidacy.

In a letter to Culberson, March said the commissioner had been running for Governor for four years.

"During the last year and one-half," he wrote, "you have devoted your full time to actively campaigning for Governor; you have used all the state employees available to you for this purpose; you have written thousands of letters at state expense on Railroad Commission stationery."

March called on Culberson to resign from the Railroad Commission while making the race for Governor.

Mrs. W. O. "Monk" Boecker is recuperating in St. Edwards Hospital and will return to her home soon.

MILANO NEWS

Mr. and Mrs. E. C. Westbrook and Ronald attended a birthday dinner at the home of their daughter, Mr. and Mrs. James Brewer in Waco recently.

Mrs. Davis, mother of Mrs. J. E. White left Sunday after visiting here. She will visit in Houston before returning to her home at Riverside.

Mrs. C. J. Ray who has been in Marlin taking treatment for the past two weeks has returned to her home much improved.

Mrs. Porter Rice of Fresno, California attended the funeral of her grandmother, Mrs. Richards who passed away at her home Friday, January 13.

Mr. and Mrs. Coulter Baker and family of Freeport spent the week end here in the home of Mrs. Maggie Miller.

Mrs. Ray Miller and children, Mrs. Curtis Miller and Mrs. Maggie Miller visited in the R. P. Fuggle home Sunday.

Holiday guests in the A. McGregor home were: Mr. and Mrs. Fred Brannon of Houston, Mr. and Mrs. Lock McNeely of Bryan, Mr. and Mrs. Carl McKnight of Caldwell, Mr. and Mrs. Hulan Bush of Houston, Mr. and Mrs. Gerald McKnight of Austin, Mrs. Thelma Kirk and Patty and Junior Kirk of Rockdale, Mr. and Mrs. Cecil Kirk and son of Hearne and Jack Hood of Memphis, Tenn.

J. T. Baggett of Houston spent the week end here with his parents.

Homer Deen of Camp Hood visited his parents here this week end.

Mrs. Doyle Clatt and son have returned to their home in Rogers after an extended visit here with her mother, Mrs. Opal Steele.

Little Linda Ann Gerdes of Caldwell is visiting her grandmother and family, Mrs. Laura Stevenson.

Mr. and Mrs. Asa McGregor visited Mr. and Mrs. Carl McKnight in Caldwell the past Wednesday.

Mr. and Mrs. Johnnie Seaton and

children of Maysfield were guests in the Wade Parker home last week.

Mrs. Asa McGregor received a message the past Friday that her brother-in-law, Jesse J. West of Dallas had suffered a heart attack and passed away. Mr. West, 45 years of age, Supt. of Texas Bilulithic Company, had died while driving his car. At the time of his death he was construction engineer working on part of the central expressway bridge work. They had lived in Dallas eight years. Mrs. West is president of the Lula Rose Sunday School class of the Highland Park Methodist church.

reservoirs for livestock water or erosion control.

7. Application of potash and phosphate.

8. Application of ground limestone or ground oyster shells.

9. Growing a green manure or cover crop of Summer legumes.

10. Increasing the total farm acreage of biennial and perennial legumes seeded in Fall of 1949.

11. Establishing a satisfactory cover of Winter legumes and rye grass seeded in Fall of 1949.

12. Turning under or leaving on the land a satisfactory stand and growth of rye seeded in the Fall of 1949.

13. Establishing or improving permanent pastures by seeding adapted pasture grasses, pasture legumes, or mixtures of grasses and legumes.

14. Establishing permanent pastures by sodding Bermuda and buffalo grass.

Sanders warned that prior approval must be requested and received before the practice is begun. Credit will not be made for any practice without prior written approval, he emphasized.

Smithwick Trial Slated Monday

The murder trial of Sam Smithwick will open Monday for the third time.

Twice previously attorneys for the 61-year-old former deputy sheriff of Jim Wells County have won trial postponements because of the absence of witnesses.

The last postponement of the trial was granted because of the absence of Juan F. Saenz, a witness. Defense attorneys have said Saenz would testify he saw a scuffle between Smithwick and W. H. (Bill) Mason just before Mason was shot to death on an Alice street last July 29.

Mason, 51, a veteran newspaperman, was a radio commentator then and in his programs tried to point out things he thought were wrong in the South Texas town.

Rep. Poage Says Bill Will Allow More Cotton

The house agriculture committee reported out a bill late Thursday which, according to Rep. W. R. Poage Waco, member of the committee, will permit Texas to grow more cotton, more wheat and more peanuts.

Poage believes that the bill as written in committee helps to solve many of the hardship cases. One of the main provisions relates to a new definition of irrigated farming lands.

Poage says it is believed that the new bill will not up the national cotton acreage total over the present 21,000,000 bales.

Here's what the new bill will do to cotton:

No man will be cut below 70 percent of his average annual planting in 1946, 1947 and 1948 including war

crops or below 50 percent of his highest in any one year including war crops. In no event, shall either one result in giving him more than 40 percent of his total cultivated acreage. The last phrase means just what it says, Poage pointed out, and does not mean the adjusted total cultivated acreage as used in figuring county factors.

Rockdale Bank Names Officers And Directors

At the annual meeting of the stockholders of Rockdale State bank the following officers and directors were re-elected:

E. A. Camp, chairman of board, and vice-president; T. B. Ryan, president; John T. Hale, cashier; Harold Luckey, assistant cashier. Directors: E. A. Camp, Dr. T. S. Barkley, W. E. Gaither, M. M. Camp, T. B. Ryan.
